## How&To

> How to use the MacNZ site ([www.mac-nz.com](http://www.mac-nz.com))

Click these headers for more information

Click the magnifying glass to search topics through the site

Filters: to filter to topics, click words to only see posts relating to these keywords

Back issues of this very PDF magazine available from this filter (all free)

Quick-browse recent posts

Short bio & author picture

Click 'Follow' to get an email every time I publish (twice a day, 6 days a week ...) The email is complete and has all the news in it, with links, so you don't even need to visit the site

The screenshot shows the MacNZ website interface. The top navigation bar includes links for ABOUT, APPLE HELP, CONTACT, FIVE-TIP FRIDAY, and MAC NZ'S MAGBYTES MONTHLY NEWSLETTER. The main content area features a blog post titled 'REBIRTH OF IOS, NEW SHOOT VIDEOS' by MARK WEBSTER. The post includes a video player showing an iOS 11 concept video. The sidebar on the left contains a short bio and author picture of Mark Webster, a 'FOLLOW' button, and a 'FOLLOW BLOG VIA EMAIL' section. The right sidebar lists various categories like Apocalypse, Apple Watch, Futurology, and IDevice News, along with a 'RECENT POSTS' section.

Mac NZ reaches up to 6-10,000 a month people via emails, tweets, Facebook, LinkedIn and direct clicks

Remember this is a free service – I run Mac NZ to help people to stay informed.  
The few ads just pay for hosting.
